[] Guy McConnell, Clerk, Senate Appropriations Committee, called to say that the lawyers for Haldeman and Erlichman were pressing the Committee staff for a copy of an item from the minutes of the DCI's Executive Committee meeting regarding General Cushman's report of Erlichman's call requesting assistance for Howard Hunt. Larry Houston who was in my office at the time got on the line and explained that he saw no objection to making this available but thought it should be cleared with the Special Prosecutor Archibald Cox and Houston had a call in for Cox at the time.
